

White Teak Shutters

Our White Teak timber shutters are lightweight, naturally light in colour, light on the environment and have light-touch functionality. Perfect to highlight, complement and enhance any interior style.

ECO-FRIENDLY

Our White Teak Shutters are manufactured from responsibly harvested timber sourced from Forest Stewardship Council™ (FSC™) plantations.

White Teak is:

- From the same botanical family as teak, with a decoratively silky figure, tight grain and pale silvery colour.

NATURAL BEAUTY

- Dimensionally stable making it perfect for the manufacture of shutters.
- Naturally resistant to wood-boring beetles.

SMOOTH OPERATION

QUALITY IN THE MAKING

Manufactured and installed to best practice European and American quality standards.

- Overlapping rabbet stiles for improved light block-out and privacy.
- Reinforced engineered stiles with laminated timber core for high level of durability and structural integrity.
- Mortise and tenon joints to withstand shear stress and twisting forces.

- Patented wood drying technique that emulates the environmental condition of installation location to reduce shrinking and swelling.
- Quarter sawn louvres, for higher dimensional stability to resist cupping, twisting and warping.
- Meticulous assembly process that includes five separate hand sandings and five coats of your ideal paint or stain colour.

CHOICE FINISHES
