Luxaflex[®] Classic Shutters with PolySatin[™] finish

Introducing PolySatin[™] finish, a revolutionary technology for Luxaflex[®] Classic Shutters that successfully achieves the look of a premium painted shutter. Luxaflex[®] Classic Shutters with PolySatin[™] finish bring elegance to any interior with the soft, matte lustre of freshly painted wood and will always look as luxurious as the day they were installed. Luxaflex[®] Classic Shutters have been available in South Africa since 2010, and have been the best selling shutter in North America for the past 20 years.
